

Alberta Association on Gerontology

# Optimizing Technology and Innovation in the Future Delivery of Seniors' Services Webinar

Presented by: Conny Avila, Chief Innovation Officer

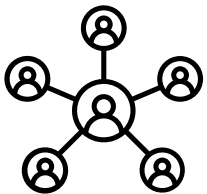

# Covenant's Plan

*“Innovation and technology go hand in hand”*

*“The ultimate goal is to improve quality of life”*

Quality of  
Life

*“It needs to be a value-add, it can't take away from connecting people”*

## Implemented Technologies

Covenant  
Health

Covenant  
Care

Covenant  
Living

# Our Goal - System Transformation

- The time is now
- Advocate for change
- Integration is key

Thank you!
